The world has been infested with Harry Potter and the Popular TV Series “Charmed”

Witches have good reason to be excited about [Harry Potter](#). The book series is giving the “craft” a huge boost. No wonder that when interviewed by *USA Today*, a warlock endorsed Harry Potter and bubbled with excitement at the series’ wide acceptance by the mainstream. What exactly is “witchcraft”? I define *witchcraft* as seeking supernatural help, guidance, information or power from any spiritual source other than God. This would include all forms of tarot reading cards, séances, Ouija boards, palm reading, soothsayers, clairvoyants, astral projection, new age, automatic writing, astrology, zodiacs and psychic mediums like [James Van Praagh](#).

“He’s a charmer, that Harry Potter. The adolescent hero of J. K. Rowling’s series rides a broom, owns an invisibility cloak and magic wand, and has cast a spell over young readers the world over. He has modern-day witches enchanted too. ‘For once, the witches aren’t ugly old hags,’ said Michael Darnell, 39, a computer programmer from Winnipeg, Canada, who has been a practicing witch for over twenty-five years. ‘For once they’re the protagonists rather than the villains.’”

Wikileaks Reveals Satanic Rituals Used By White House Chiefs (Satan the god of **this world**)

“There shall not be found among you any one that maketh his son or his daughter to pass through the fire, or that useth divination, or an observer of times, or an enchanter, or a witch, Or a charmer, or a consulter with familiar spirits, or a wizard, or a necromancer. For all that do these things are an abomination unto the LORD: and because of these abominations the LORD thy God doth drive them out from before thee. Thou shalt be perfect with the LORD thy God.”
—Deuteronomy 18:10-13

The Devil Is A Beautiful Liar!

Do you know what witchcraft is? Witchcraft is seeking help or guidance from any spiritual source other than God. We see much of this in society today—horoscopes, astrology, tarot cards, witchcraft, sorcery, magic, séances, psychics, palm reading, spiritism, fortune telling, necromancy (communicating with the dead), yoga, New Age meditation, the force, Chinese Zodiacs, burning candles, chants, spells, potions, charms, the Rosary, icon bracelets, et cetera.

If it's not God's Holy Spirit, then you are dealing with the Devil. Any spirit that is not the Holy Spirit is a familiar spirit. Anytime you here someone talking about spiritual matters without mentioning Jesus Christ or the Bible, run, as fast as you can. A Modernist is someone who falsely claims to be a Christian, an imposter. Many false prophets today masquerade as Christians, but they are children of the Devil. You can tell them by their fruit. They never mention Jesus Christ as the Savior. They don't recognize the Scriptures as their Final and Only Authority.

The Devil is an evil spirit, just as God is the Holy Spirit. We can only worship God in spirit (John 4:24). Jesus said that His Words are life. John 6:63, **“It is the spirit that quickeneth; the flesh profiteth nothing: the words that I speak unto you, they are spirit, and they are life.”** Our battles in this life are ultimately against the Devil, not flesh and blood (Ephesians 6:12). The Devil works inside the mind of the wicked, to lead them to do horrible

things (Ephesians 2:2). The Devil can't make anyone do anything, but he influences people if they are susceptible and willing. This is the woeful danger of making witchcraft look innocent and fun to young people. It teaches children to invoke Satan's power. Harry Potter's magical power all comes from Satan.

The 'Church Of Satan' boasts that 'America is Absolutely a satanic nation!'

All spiritual power comes from either God or Satan. We see this truth in the Bible, when Pharaoh's magicians imitated the Lord's miracles wrought by the hand of Moses and Aaron (Exodus 7:11). Satan is a master counterfeiter and disguise artist (2nd Corinthians 11:13-15). Satan is all about deception and lies (John 8:44). There is no such thing as "white witchcraft." There's only one kind of devil... A BAD DEVIL! All forms of witchcraft are Satan's works of darkness. It is tragic that children are being introduced to witchcraft, sorcery, magic, spells and all sorts of demonic practices which the Bible condemns. There are NO examples of good witches in the Bible, none! All witches are on the Devil's side!

Scholastic is a demonic company that publishes all of the books marketed to public school children. Here is their [Harry Potter webpage](http://www.scholastic.com/aboutscholastic/peoplehistory.htm). Scholastic advertises on their website...

"For 90 years, teachers and parents have recognized Scholastic as a trusted name in learning. Scholastic continues this successful history by remaining focused on encouraging children to learn to read and love to learn, helping teachers carry out their important jobs and supporting parents in their role as their child's first teacher."

Harry Potter's witchcraft is being taught, pushed, and required by public schools. Whereas the Word of God is banned in all public schools; Scholastic is allowed to push their demonic witchcraft onto children, and they do! They're mission is to INDOCTRINATE children, especially with witchcraft...

"Scholastic, the global children's publishing, education and media company, has a corporate mission supported through all of its divisions of helping children around the world to read and learn."

Children are learning the evils of witchcraft through Harry (potty) Potter books. These books are pushed, promoted, and being distributed into the hands of all public school children. Wiccans even have a chaplain in the military service. Wicca is a recognized religion by the U.S. government. Harry Potter teaches the witchcraft religion to children. Tragically, Harry Potter has become an international phenomena. ...

"God forbids his people to dabble in this satanic system. When a people turn from God, they generally go after the occult and abnormal. There is a great turning today to the occult, a great turning to the spirit world and demonology. We have here in southern California a Church of Satan. There's one up in the bay area. They're spreading! Many are

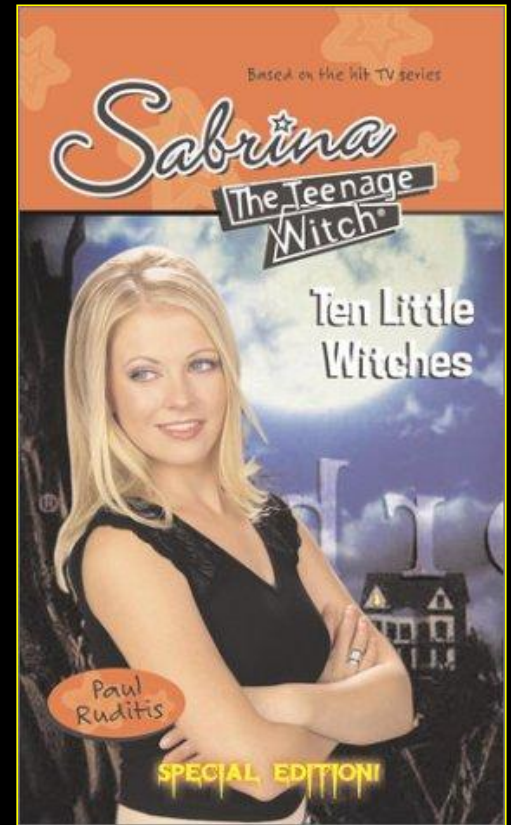

worshipping the Devil today.” —Pastor J. Vernon McGee (Thru The Bible, Isaiah 8:9-22)

Children today are being taught witchcraft on all fronts...

All forms of horoscopes, Tarot cards, psychics, palm readings, fortune telling, crystal balls, Ouija boards, astrology, worshipping or contacting the dead, and sorcery are of the Devil. “Sorcery” is an interesting word in the Bible. It is derived from the same Hebrew word that our word “pharmacy” today comes from. Hence, sorcery is the use of drugs as a medium to contact the demonic world.

Katy Perry Performs “Satanic Ritual” At Grammys

Katy Perry—the Babylonian, big-breasted, Baphomet, blasphemous-bimbo—recently said that she is NOT a Christian and thinks Heaven is “a hoax.” Katy Perry began her trainwreck career of sleaze as a Gospel singer. Talk about a loser and sell-out! I guess Satan has done more for Katy Perry than God has. God keeps us all breathing. God gives us the awesome delicious foods that we eat and the taste buds and health to enjoy it all. What has the Devil ever done for you? God offers you eternal life through faith in Jesus Christ, but Satan can only offer you the world until your earthly life is over; then God will judge you (Hebrews 9:27).

Who would want to follow a total loser in God's eyes like Katy Perry? This Illuminati-favorite, slithering servant of Satan, stripper-singer, promotes satanism as being “cool” to preteens and teens. Ke\$ha, Rihanna, Miley Cyrus (Manly Virus), Kanye (Pest) West, Kim (Kartrashian) Kardashian... THESE ARE GOD'S ENEMIES (James 4:4). You will become like those you hang around. Do you want to be like God's enemies? Do you want to become God's enemy too? I wouldn't recommend it if you're smart. Sadly, many professed Christians today are naive and indifferent concerning the evil threat of witchcraft to our youth...

There is an Independent Baptist Church down the street from where I live. They are NOT fundamental. They have a big Christian school of 1,000 students. They also have their own local radio station. I was listening to their radio station the other day. The associate pastor runs the radio station and was interviewing one of their students-of-the-week. I was saddened to hear him ask her if she had read the Harry Potter Series, and she affirmed that she had. Literally, this shameful pastor was promoting and endorsing Harry Potter's witchcraft. The same church has an impressive teen orchestra, but they perform Walt Disney theme songs; such as, *Aladdin*, *The Lion King* and other songs. Walt Disney is a filthy sex-perverted group. This so-called “ministry” has a big Christian school with a church on the side. They have a great music program, but no preaching. I had attended for one year, but then they told me to stop passing out sermons by Dr. Hyles, Dr. Younce and Dr. Lacy or they would ask me to leave. I told them that as a faithful Christian they had forced me to make a decision that I didn't want to make, rather than sinfully compromise the truth. [You can read the full story here](#). I prayerfully know they will weep bitter tears in eternity at The Judgment Seat of Christ. Harry Potter is of the Devil and churches ought not be promoting such wickedness to children.

If you've ever spoken with someone who was a serious drug addict, they can tell you of the demonic experiences they had while high on drugs. I have talked with such people who claim that they saw demons and unbelievable nightmares. Drugs and alcohol are gateways into the demonic spirit world. Those who engage in substance abuse are inviting demons to infiltrate and control their mind. Often, drug abuse is intentionally used in witchcraft to make contact with demons. And in case you didn't know, the witch's broomstick is a sexually offensive symbol, symbolizing the male phallus.

There is an astonishing insidious (i.e., working or spreading in a hidden and usually injurious way) rise of devil worship, Satanism and witchcraft among the youth. We see it in sports, video games, fantasy books, board games, toys magazines, movies, lunchboxes and every form of social media. Witchcraft is on the rise worldwide. It is surprising how many Christians are naive and indifferent regarding the threat of witchcraft to youth. Satan wants to control children from the womb, to the cradle, to the grave. A New Age practitioner is a witch! Witchcraft exalts the spirit of rebellion, self-will and living for pleasure. Ultimately, witchcraft is defiance against God's Word. Children and teens are under demonic attack like never before today...

SATAN'S BID FOR YOUR CHILD | NARCOTICS IN BIBLE PROPHECY (MP3's by Dr. Jack Hyles)

Few parents understand that violence, magick, rebellion, bloodlust and sex are introductory lessons into Satanism! Here's an example of what I am saying. In this article I wrote titled, "Jesus Taught The Golden Rule In Matthew 7:12," I reveal the Satanic nature of Maroon 5's recent shameful video... "ANIMALS" (in which stalker Adam Levine and a female are bathed in blood in a bed scene, his next murder victim).

I have written this article to solemnly WARN anyone who may be reading this ... PLEASE stay as far away as you can from witchcraft in all it's forms. The Word of God ought to be the only place where a Christian seeks guidance. The Bible gives us some key teachings which can be applied to ALL teachings in Colossians 2:6-9...

Colossians 2:6-9, "As ye have therefore received Christ Jesus the Lord, so walk ye in him: Rooted and built up in him, and stablished in the faith, as ye have been taught, abounding therein with thanksgiving. Beware lest any man spoil you through philosophy and vain deceit, after the tradition of men, after the rudiments of the world, and not after Christ. For in him dwelleth all the fulness of the Godhead bodily."

Many people have been led astray from Christ without realizing it. The word "beware" in Colossians 2:8 is the Greek word *blepo* and means "to look at: regard, perceive, take heed." The word "spoil" is the Greek word *sulagogeō* and means "to lead away as booty, that is, (figuratively) seduce." Hence, the Bible tells us to be on guard by looking at everything taught and put forth by others.

1st John 4:1 instructs us as believers to try (test) every spirit, to see whether it is the spirit of Christ or Satan. 1st John 4:1, "Beloved, believe not every spirit, but try the spirits whether they are of God: because many false prophets are gone out into the world." Many people today are being spoiled (led astray) from Jesus Christ by worldly philosophies, manmade tradition, vain deceit and rudiments (established secular systems of thinking; such as, humanism, evolution, and psychology to name a few).

You don't have to wear a black cape with a pointed witch's hat to be involved with witchcraft my friend. In 1st Samuel 15:23 ("For rebellion is as the sin of witchcraft") the word "witchcraft" is the Greek word *qesem* and means "divination, including its fee), oracle." Divination and oracle both refer mean to "prophecy, or tell the future, by supernatural powers." God has already told us, for now, how much He wants us to know about the future in the Word of God. In fact, the Bible contains one-third prophecy as a whole. Thus, to seek out supernatural means (familiar spirits) to tell the future is wickedness. God hates witchcraft in all it's forms.

It should be clear to you now that various forms of witchcraft include: psychics, tarot cards, palm reading, crystal balls, Ouija boards, séances, horoscopes, necromancy, channeling, ghost hunts, charms, potions, ritual candle burning, zodiacs, new age, yoga, Kundalini yoga, automatic writing, astral projection, good luck charms, spiritism—and hundreds of other sinful witchcraft practices that seek, wisdom, help or guidance from spiritual powers that are not the Holy Spirit of God. Television is saturated with witchcraft. Warlocks (which means liar) are male witches. Certainly witchcraft would be categorized under vain deceit.

The simple answer is to follow Christ. No matter what comes your way in life—whether in deed or thought—anchor yourself to the inspired, eternal, Words of God. Colossians 3:1-3, "If ye then be risen with Christ, seek those things which are above, where Christ sitteth on the right hand of God. Set your affection on things above, not on things on the earth. For

ye are dead, and your life is hid with Christ in God. When Christ, who is our life, shall appear, then shall ye also appear with him in glory.” Aren't those precious and beautiful Scriptures?

Have you risen with Christ my friend. That is, have you believed the Gospel? You were born with the old man, the flesh. You need a new nature if you are to improve your life, truly improve your life. That new nature is Christ. The old nature cannot genuinely be changed, reformed, nor made new. The flesh is sinful and always will be. Our only hope is Jesus Christ. When you get saved, you now walk in the new Spirit of Christ in you. The old man is dead as long as we live and walk in Christ. This is why we read wonderful Scriptures such as Colossians 2:6, “As ye have therefore received Christ Jesus the Lord, so walk ye in him.” We must choose to either walk in the old flesh, or walk in the Spirit of Christ. I choose to yield to the Holy Spirit as He guides me into all truth in the Scriptures! I choose to preach the gospel to get sinners reconciled to God by the blood of Jesus. The wicked world couldn't care less about the things that are important to God. God is pleased only by faith, which is obedience to His Word.

Christianity is the only faith in the world that is intolerant of all other faiths. This is because the inspired Word of God is adamant that Jesus Christ (the dear only begotten Son of God) is the ONLY way to God the Father. John 14:6, "Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by Me." Wiccans, as do Muslims and Judaizers, deny that Jesus is the Christ. In so doing they have chosen the Lake of Fire as their eternal home, where they shall be punished forever, tormented **DAY AND NIGHT**. . . Revelation 20:10 and 15, "And the devil that deceived them was cast into the lake of fire and brimstone, where the beast and the false prophet are, and shall be tormented day and night for ever and ever...And whosoever was not found written in the book of life was cast into the lake of fire."

Harry Potter has revived a worldwide infatuation with witchcraft and occultism. Children who love Harry Potter despise the Bible. All Christians are to separate from works of darkness...

Harry Potter Is Wicked!

It is wrong for anyone to support Harry Potter's witchcraft. Unfortunately, Christianity Today Magazine endorses Harry Potter by giving it positive reviews. It makes God want to vomit (Revelation 3:16). Mrs. Rowling's books are introducing children into the occult, which has made her a billionaire.

Did you read that... **RECREATE THEIR FAVOURITE SCENES!** This is not harmless folks. They are encouraging children to follow after Satan. I dare you to show me anything for kids today where they are encouraged to imitate great men of God, like D.L. Moody, Billy Sunday or Charles H. Spurgeon. No, because Satan is the god of this sinful world (2nd Corinthians 4:4) and he hates children with a passion, which is why abortion is so popular. Financial Astrology

PHOTO TO RIGHT: Salem, Massachusetts adorns their police officers with these arm patches. Witchcraft is a horrible sin that blasphemes the Lord Jesus Christ and shouldn't be promoted and honored as a novelty. Woe unto the citizens of Salem, Massachusetts! "Thou shalt not suffer a witch to live" (Exodus 22:18). Witchcraft is a very serious matter to God, in the same category as murder and adultery.

Listen my friend, these things which may seem harmless to you have completely destroyed some people's lives. People have invested their life-savings into certain financial investments based upon what some astrologer or psychic said. I'm not kidding!

I remember that there used to be a television program in Chicago called "The Stock Market Observer." I believe it was channel 26, and it was a TV station just for investors and speculators. I watched it a few times out of curiosity. One day they had a nut on the show, who was an astrologer. As a Christian that interested me. Why would they invite an astrologer onto a stock market show? I went and did my homework and was blown away with the truth. This demonic art is called "Financial Astrology." The founder of the bank J.P. Morgan, John Pierpont Morgan, hired a personal astrologer to work on staff. John Morgan's astrologer was attributed as saying "Millionaires don't use astrologers, but billionaires do." Sure enough, it is very true. Literally, men with billions of dollars make hundreds-of-million-dollars decisions based upon the alignment of the planets, eclipses and stars.

Here are just a few of literally millions of such predictions which are made all around the world each year by ungodly people who look to the heavens for guidance, answers and power. Many seek who they should marry, where and how much they should invest, basically any question imaginable. They want to know the future, and some occultists believe that through studying the heaven's they can know it. Biblically, Christians are discourages and forbidden from occult practices which seek power, answers, guidance and comfort from any spiritual

source other than the inspired Words of God in the Holy Bible. Thank God for the King James Bible!!!

Here's a few occultist references from the blinded ungodly newsmedia...

In May of 1988 an article by Kleinfeld, N.R. appeared in (Section 3, Page 1, Column 2, Financial Desk) of *The New York Times* titled, **"Seeing Dollar Signs In Searching the Stars."**

Another article by Caroline Blackburn appeared in the *Sunday Express* (from May 9, 2004, *Financial Express, Your Money*) tilted, **"More and More Investors are Beginning to Think Astrology Can Light up the Path to Profits."** Says Caroline Blackburn, **"Look at the Stars to Seek out a Fortune."** (*Sunday Express*. p. 16).

In October 15, 1999, Robert Hitt predicted, **"Heavens Foretell a Continuing Decline in Prices until May 5."** (*The Philadelphia Inquirer*. p. C01).

I actually heard some nut many years ago on TV advising people how to invest their money based upon the alignment of the planets and constellations. I was listening to a talk show on the radio and some crazy nut called in. The caller insisted that U.S. President George W. Bush [then] was going to be arrested the next week based on the caller's astrological analysis. I love what the radio host said, "I think your planets are out of alignment Sir." Only a fool looks to the stars for guidance. The sensible Christian looks to the Word of God. In **John 5:39**, Jesus told us to **SEARCH THE SCRIPTURES!** I base my decisions upon the practical principles and precious promises of God in His holy Word. That's why we all need to read and study some the book of Proverbs every week of our life, because we all need God's wisdom.

Jesus gave us some of the best advice in Matthew 6:19-20 in the New Testament, teaching us to **LAY UP TREASURES "FOR YOURSELVES" IN HEAVEN**. There's nothing wring with labouring here on earth to stash rewards in Heaven. That's exactly what God told us to do. I hear some foolish preachers teaching heresy, saying that God won't reward anyone who served Him with the wrong motives. **WRONG!** Buddy, whether you drive that church bus on Sunday from a heart motivated by love for Christ, or you just drive the bus because you were bored at home and wanted something to stay busy, you're reward will be the same!!! Either way those precious bus kids and families get to church. The preaching is the same. The number of souls saved is the same. Your rewards will be the same.

Certainly, having any intentions other than love for Jesus Christ, almost assuredly means that such a person will quit as soon as their reasons are gone which motivated them. We ought to serve God with a sincere heart of dedication to the Lord. This is the Pastor's duty to teach his congregation how to think. The pastor can eliminate 95% of the problems in the church before they arise, simply by preaching practical sermons to mold and shape your people with the inspired Words of God. Preaching the Word of God makes us grow!!! Preaching helps us to think straight!!!

Where do these nuts come from? I mean, it's ok to expose a conspiracy and blow everybody's mind if you have some information to back it up... but the alignment of the stars? Please! Our opinions should be based upon tangible evidence... not hocus pocus, candles, horoscopes, cards, stars, premonitions, whims or superstitions.

You'd be shocked if you knew how many people base their entire lives upon what some nut writes in the daily horoscope column of the newspaper. It's Satanic folks! Even if it seems to be accurate information... it is still evil and Satanic. It is never right to do wrong in order to get a

chance to do right! It's wrong for local police authorities to consult with psychics in an attempt to locate missing persons. But you say, "wouldn't you want to try every means possible to find a loved one if they were missing?" Not if I have to consult with the Devil. The end doesn't always justify the means. God told us not to consult with familiar spirits. **Leviticus 19:31**, "Regard not them that have familiar spirits, neither seek after wizards, to be defiled by them: I am the LORD your God."

Man Consults Psychic To Locate Best Friend

I've got to share this with you. I recently read about a Oregon man who's pet-sitter lost his dog. This guy went nuts looking for his dog. He lost his business, tapped into his retirement savings, consulted with **four psychics and a witch**, spent \$8,000 on newspaper ads, hired a dog tracker, and drove thousands of miles looking for his dog. I have this unbelievable newspaper article in front of me. Here's the story...

Pet-sitter sued for \$160,000 after dog was lost 68 days

BY MARY VALLIS

A dog owner in Oregon is suing his pet-sitter for \$160,000 after his German shepherd was missing for 68 days.

Doug Baker consulted four psychics and a witch, spent \$8,000 on newspaper ads, hired a dog tracker, tapped into his retirement savings, lost his business and drove thousands of miles before finally finding the 9-year-old dog, named Fremont, crossing a road not far from where he vanished Sept. 27.

And now he wants payback from the pet-sitter he blames.

Baker, 45, was about to post Fremont's face on a billboard when he found the dog.

"If a child disappears, you have 1,000 people the next day lined up around the block as volunteers," said Baker, 45, who owned an auto-

repair shop in Portland. "With an animal, it's not the same."

Baker left Fremont with Lisa Dunbar, a pet-sitter, in Gresham, Ore., near Portland, so he could take his girlfriend out for a birthday dinner. He planned to propose the next day by tying two rings to Fremont's collar.

But, when the couple returned home, they had a telephone message from the sitter saying a truck had backfired, spooking Fremont, who escaped through an open gate.

Baker said the hunt cost him about \$20,000.

In a lawsuit filed last week, Baker and his girlfriend, Lisa Klein, claim the sitter didn't adequately care for Fremont, allowing him to escape. They are seeking \$60,000 in economic damages, including \$10,000 for the temporary loss of the special value of Fremont based on his qualities, characteristics and pedigree, and \$100,000 in emotional damages.

Dunbar told The Oregonian newspaper, "All I can say is they are lying, and they're taking advantage of the media."

Can you imagine? Luckily for him he finally found his old buddy. That must be some dog! I don't know of many men who would do that for his own wife. I'm serious. It's crazy.

The Spiritual Bondage Of Witchcraft

It is sinful to seek the help or advice of a psychic or a witch...

“Regard not them that have familiar spirits, neither seek after wizards, to be defiled by them: I am the LORD your God.” —Leviticus 19:31

God is serious about this stuff, and so should you be...

“And he made his son pass through the fire, and observed times, and used enchantments, and dealt with familiar spirits and wizards: he wrought much wickedness in the sight of the LORD, to provoke him to anger.” —2nd Kings 21:6

These things are wicked!!! To observe the cycles of the moon and the stars as a form of religion is sinful. The Islamic Muslims pray five times daily corresponding with the cycles of the moon. Ever notice the “moon” symbol that is so cherished by the Muslims? It is the symbol of the moon god, which is exactly where the Islamic Muslim religion started back in 800 A.D., under the moon god Muhammad. It is a false religion!

I remember a couple years ago hearing on the news that India had announced that there would be NO nuclear war between them and Pakistan. They based this knowledge upon the predictions made by the government of India's top astrologers. Right! The stargazers didn't help Babylon...

“Thou art wearied in the multitude of thy counsels. Let now the astrologers, the stargazers, the monthly prognosticators, stand up, and save thee from these things that shall come upon thee.” —Isaiah 47:13

These evils are prevalent throughout the world today...

“And he caused his children to pass through the fire in the valley of the son of Hinnom: also he observed times, and used enchantments, and used witchcraft, and dealt with a familiar spirit, and with wizards: he wrought much evil in the sight of the LORD, to provoke him to anger.” —2nd Chronicles 33:6

Human sacrifices 'on the rise in Uganda' as witch doctors admit to rituals

Hell is the place of future punishment called “Gehenna” or “Gehenna of fire.” This was originally the “valley of the son of Hinnom,” located south of Jerusalem, where the garbage and dead animals of the city were cast out and burned. The Valley of Hinnom is certainly a fit symbol of the wicked and their future destruction. It was the city's garbage dump.

Unbelievably, the Moloch religion required parents to sacrifice their children upon the fiery arms of Moloch. This was no doubt a form of abortion. Today, parents sacrifice their children to the surgical saws that rip their tiny bodies painfully apart piece by piece unto all LIFE is gone. Murderers! Abortion stops a beating heart!

All forms of horoscopes, Tarot cards, psychics, palm readings, fortune telling, crystal balls, Ouija boards, astrology, worshipping or contacting the dead, and sorcery are of the Devil. This

includes the veneration (worshipping) of the dead. The Catholic church worships statues of former so-called "saints."

I remember years ago meeting a Spanish man who kept a statue of *Saint Anthony and his dog* behind the front door to his apartment. There were several jars of varying amounts of water with a penny at the bottom of each glass container. I asked what the purpose was for these strange things and he said it was to ward off evil spirits from his home. He said he was a Catholic and had learned this at church. Of course, Catholics are renowned for candle burning and idol worship in their parishes.

The Catholic church teaches people to pray to dead Saints. This is evil. A statue over your grave cannot pray for you. You cannot pray a person out of hell, and there is NO such place as purgatory. Praying to statues of any size is idolatry. Worshipping anyone or anything other than God is sin! The 2nd of the Ten Commandments forbids even BOWING to statues (Exodus 20:4-5).

Jesus accepted worship from people because He is almighty God (Matthew 8:2; Revelation 1:8). Please note that all Scripture references are only from the inspired King James Bible. All modern Bible versions are corrupt. Mary did NOT accept worship from anyone because she was just a dirty-rotten sinner like you and me (Romans 3:23). Mary had to get saved, just like you and I do (Luke 1:47).

There Is Hope In Jesus Christ, The Sinless Lamb Of God

Acts 26:18, "To open their eyes, and to turn them from darkness to light, and from the power of Satan unto God, that they may receive forgiveness of sins, and inheritance among them which are sanctified by faith that is in me." Let me ask you a question... are you saved? [Christ Paid Our Debt Of Sin!](#)

"...behold, now is the accepted time; behold, now is the day of salvation." —2nd Corinthians 6:2

Do you acknowledge that you are a sinner, [guilty](#), under the condemnation of God's law (Romans 3:19)? As sinful humans, we need a divine Redeemer, Jesus Christ. We are too sinful to save ourselves, and we have no self-righteousness to offer God (Isaiah 64:6). God sent His only begotten Son into the world to pay our sin debt (John 3:16). Jesus Christ paid the price for our sins at Calvary by shedding His precious physical blood (1st Peter 1:18,19). You can be saved right now by simply believing upon Jesus, the Christ, God's Son, to forgive your sins (Acts 10:43). Amen!

PAN'S LABYRINTH

[Pan's Labyrinth](#) is one of the most evil films ever produced. The very notion of an innocent child falling in loving with a sexual predator like [Pan](#) is nauseating to any God-fearing person. Lest you think I'm grasping for straws, the movie's producer has [openly stated](#) that one of the works which largely influenced the making of *Pan's Labyrinth* is the [THE GREAT GOD PAN](#), a novella (shorter than a novel) written by Arthur Machen in 1890. The work was so demonic and despicable that the public was outraged . . .

The Great God Pan is a novella written by [Arthur Machen](#). The original story was published in 1890, and Machen revised and extended it in 1894. On publication it was widely denounced by

the press as degenerate and horrific because of its decadent style and sexual content, although it has since garnered a reputation as a classic of horror. Machen's story was only one of many at the time to focus on [Pan](#) as a useful symbol for the power of nature and paganism...

A woman in Wales has her mind destroyed by a scientist's attempt to enable her to see the god of nature Pan. Years later, a young woman named Helen Vaughan arrives on the London social scene, disturbing many young men and causing some to commit suicide; it transpires that she is the monstrous offspring of the god Pan and the woman in the experiment.

SOURCE: [The Great God Pan](#)

This is one of the Satanic works upon which *Pan's Labyrinth* is based. You can't argue with the facts. *Pan's Labyrinth*, according to its own producer, Guillermo Del Toro, is based upon a work that was *widely denounced by the press as degenerate and horrific because of its decadent style and sexual content*.¹ That work is *THE GREAT GOD PAN*. The very essence of Pan is sexual perversion.

Pan is infamous for his sexual seductive powers and is often depicted with an erect phallus (male sex organ). Diogenes of Sinope, speaking in jest, related a myth of Pan learning masturbation from his father, Hermes, and teaching the habit to shepherds ([Dio Chrysostom](#), *Discourses*, vi. 20). Pan is a sicko sex-freak and people who adore, worship and base movies upon him are all in the same boat with Pan.

The producer of *Pan's Labyrinth* finds Pan compelling . . .

Some of my favorite writers (Borges, Blackwood, Machen, Dunsany) have explored the figure of the god Pan and the symbol of the labyrinth. These are things that I find very compelling and I am trying to mix them and play with them. (Del Toro message board, *Answers Archive*, Nov. 24, 2004)

Pan's Labyrinth producer, Guillermo Del Toro, admits the dark nature of the film . . .

There are differing ideas about the film's religious influences. Del Toro himself has said that he considers *Pan's Labyrinth* "a truly profane film, a layman's riff on Catholic dogma."

Yes, it is a profane (morally corrupt) movie. For anyone who understands who Pan is, what he does and the evil he embodies, it is unthinkable that someone would actually place an innocent little girl into such a setting, in a movie, portraying her as falling in love with Pan.

Both Satanists and Wiccan witches adore and worship the Pagan god, Pan, the world's most infamous sex predator! A recent 2016 film titled, "THE WITCH," features a horned ram. The goat's head, or ram, is a mockery of the Lamb of God.

Heavy Metal rocker and known Satanist, Ozzy Osbourne, has featured the god Pan on several of his album covers (2000, 2001, 2002, 2003, 2004, 2005, 2006, 2007, 2008). Ozzy is bound for Hell. The Rock 'N' Roll industry is infamous for worshipping Pan, who is the very embodiment of Rock music.

potions have traditionally been used in witchcraft to induce deeper subconscious states which enable persons to have fellowship and communication with demons. So, when a person mixes drugs such as marijuana, ecstasy, cocaine, etc., they unknowingly allow their minds to be open for demonic oppression and even possession.

It is much easier to be influenced by demons than one can imagine. Even the apostle Peter was rebuked by the Lord Himself for thinking like the Devil (Matthew 16:23). Our sinful human nature doesn't need much coercing to start thinking like Satan himself! Add drugs and booze to the mix and you're asking for double trouble! But don't be fooled, a person can be sober and demon inspired, such as wicked Herod when he ordered all the children murdered!

Doors To Satan

I am saddened when I hear professed Christians, even Baptist pastors (such as the [Harvest Baptist Church on Guam](#) on their local radio program) encouraging children to read Harry Potter! Some people think that anything which encourages kids to read is a good thing, but if we really ponder the matter we can only reject J. K. Rowling's demonic Harry Potter series, because it dishonors God by teaching children that witchcraft is okay. It's not!

An Overview of Satanism and Ritualized Child Abuse

(by Steven L. Glass, *Journal of Police and Criminal Psychology*, 1991, Vol. 7, number 2)

As we look at revivals of neo-paganism in modern history, the connection between abortion, child sacrifice and witchcraft becomes even more apparent."* — Massacre of Innocence**
